ARTICLE INDEX

Articles published in PRODUCTS FINISHING, Volume 37 (October, 1972 through September, 1973), classified by subject...

	Month	Page
AIR POLLUTION CONTROL		
Pollution Laws: How Are You Going to Comply, Mr. Organic Finisher?	Feb., 1973	57
ALUMINUM		
Coil Coaters Focus on Air and Water Pollution - Products Finishing Report	Nov., 1972	195
Aluminum Finishing '73	Mar., 1973	129
Painting Aluminum--Changes and Trends - PF Staff Report	Apr., 1973	98
Anodizing and Finishing Aluminum--Changes and Trends, Part I-	May, 1973	70
Anodizing and Finishing Aluminum--Changes and Trends, Part II-	Jun., 1973	66
ANODIZING		
Repeatable Color Anodizing	Oct., 1972	58
Aluminum Finishing '73	Mar., 1973	129
Double Power Anodizing	Apr., 1973	88
Anodizing and Finishing Aluminum--Changes and Trends, Part I-	May, 1973	70
Anodizing and Finishing Aluminum--Changes and Trends, Part II-	Jun., 1973	66
A Faster Way To Analyze Trisodium Phosphate-Sodium Carbonate Solutions - by David Cummings	Sept., 1973	84
CHROMATE COATING		
No-Rinse Pretreatment for Coil and Strip Lines - PF Special New Product Report	Feb., 1973	154
CLEANING AND DEGREASING		
Improve Your Water-Wash Spray-Booth Maintenance - by Marshall Bland	Jan., 1973	52
Glucoheptonates: Improved Sequestering Agents - PF Special New Product Report	Feb., 1973	158
COIL COATING		
Coil Coated Steel: Growth Industry of the 70's	Oct., 1972	102
Coil Coaters Focus on Air and Water Pollution - Products Finishing Report	Nov., 1972	195
No-Rinse Pretreatment for Coil and Strip Lines - PF Special New Product Report	Feb., 1973	154
Coil Coating--73 - PF Staff Report	Jul., 1973	64
The Coil Coating Industry: A View from the Top - an interview with Richard R. Tullis	Aug., 1973	72
CONVENTIONS, EXPOSITIONS, TECHNICAL SOCIETY MEETINGS		
60th Annual Technical Conference American Electroplaters' Society	Jun., 1973	135
Exhibitors--Industrial Finishing Exhibit	Jun., 1973	163
60th Annual AES Technical Conference	Aug., 1973	156

CONVENTIONS (continued)	Month	Page
60th Annual AES Technical Conference	Aug., 1973	156
CORROSION		
Filiform Corrosion: Can It Be Controlled? - by James I. Maurer	Aug., 1973	44
DEBURRING		
Ice-Bonded Vibratory Finishing Media - PF Special New Product Report	Jan., 1973	120
ELECTROCOATING		
Electrocoating: Emphasis Pollution, Costs, Product Quality - Products Finishing Report	Nov., 1972	98
High-Speed Continuous Electrocoating - by L. R. Brower, Jr.	Dec., 1972	52
Engineering the Biggest Electrocoat System - by Gerard H. Poll, Jr., Editor	Jan., 1973	28
Painting Small Parts by Bulk Electrocoating - by Gerard H. Poll, Jr., Editor	Feb., 1973	43
Electrocoating Assembled Compressors - by G. Thomas Robison, Associate Editor	Mar., 1973	58
Whirlpool Scores a First with Cathodic Electrocoat - by G. Thomas Robison, Associate Editor	May, 1973	46
ELECTROFORMING		
Filter Purifies Compressed Air for Electroforming - by K. R. Smith	Jun., 1973	88
ELECTROLESS PLATING		
Plating Electroless Nickel on Aluminum Alloy Castings - by James W. Tharp	Nov., 1972	82
Ways to More Effective Electroless Nickel Plating - by John Kuczma, Jr.	Jan., 1973	40
Nickel-Boron Plating Baths - PF Special New Product Report	Jun., 1973	41
Electroplating for Instant Replay - by Gerard H. Poll, Jr., Editor	Aug., 1973	64
You Can Produce Quality Electroless Nickel on Aluminum! - by John J. Kuczma, Jr.	Sept., 1973	48
ELECTRON BEAM CURING & UV CURING		
Studies Show Promise of UV Curing	Oct., 1972	108
Radiation Curing Shows Growth Potential	Nov., 1972	204
UV Cure Goes Commercial at Continental Can	Feb., 1973	76
ELECTROSTATIC SPRAYING		
Automatic Electrostatic Spraying of Porcelain Enamel on Bath Tubs - by G. Thomas Robison	Jul., 1973	56

ENAMEL & LACQUER APPLICATION	Month	Page
Painting Aluminum--Changes and Trends - PF Staff Report------	Apr., 1973	98
Anodizing and Finishing Aluminum--Changes and Trends, Part I-	May, 1973	70
Anodizing and Finishing Aluminum--Changes and Trends, Part II-	Jun., 1973	66
Painting Hydraulic Excavators - by G. Thomas Robison, Associate Editor----------	Jul., 1973	48
Water-Based Coatings: Dispelling Some Myths - by Robert L. McCormick, Jr.----------	Sept., 1973	82
All About Painting of Plastics - by Dr. S. Kut----------	Sept., 1973	86
MISCELLANEOUS		
Why Titanium Heat Exchangers? - by George J. Esseff---------	Dec., 1972	78
Photofabrication Technique Makes Nameplates and Plaques - PF Special New Product Report----------	Feb., 1973	156
Glucoheptonates: Improved Sequestering Agents - PF Special New Product Report----------	Feb., 1973	158
ORGANIC COATINGS		
Finishing and Priming Custom Truck Cabs - by G. Thomas Robison, Associate Editor----------	Nov., 1972	56
Water-Reducible Coating in Production Use - PF Special New Product Report----------	Feb., 1973	159
Aluminum Finishing '73----------	Mar., 1973	129
New Dimension in Protection: Stain-Free Organosols----------	Apr., 1973	84
Painting Aluminum--Changes and Trends - PF Staff Report------	Apr., 1973	98
Anodizing and Finishing Aluminum--Changes and Trends, Part I-	May, 1973	70
Anodizing and Finishing Aluminum--Changes and Trends, Part II	Jun., 1973	66
All About Painting of Plastics, Part I - by Dr. S. Kut---------	Sept., 1973	86
PAINT APPLICATION PROBLEMS		
Filiform Corrosion: Can It Be Controlled? - by James I. Maurer	Aug., 1973	44
PAINTING EQUIPMENT		
Finishing and Priming Custom Truck Cabs - by G. Thomas Robison, Associate Editor----------	Nov., 1972	56
Improve Your Water-Wash Spray-Booth Maintenance - by Marshall Bland----------	Jan., 1973	52
PAINTING FACILITIES		
Finishing and Priming Custom Truck Cabs - by G. Thomas Robison, Associate Editor----------	Nov., 1972	56
Painting Fashionable Aluminum Cookware----------	Dec., 1972	62
Painting Hydraulic Excavators - by G. Thomas Robison, Associate Editor----------	Jul., 1973	48
PHOSPHATIZING		
Today's Phosphate Coatings - by William A. Blum----------	Oct., 1972	66
Filiform Corrosion: Can It Be Controlled? - by James I. Maurer	Aug., 1973	44

PLATING	Month	Page
Carbon-Filtered Acid Dip Improves Nickel Plating - by Jay J. Becker	Oct., 1972	61
Plating Semiconductors: Experiences with "Freon" Drying - by W. W. Peihoda and A. E. Walker	Oct., 1972	86
Electrocoating Process Deposits Pure Aluminum - PF Special New Product Report	Oct., 1972	114
Colorimetric Rhodium Determination - by Joseph J. Werbicki, Jr.	Nov., 1972	65
Electroplating for Successful High Temperature Brazing of Refractory Metals - by W. B. Stephenson	Nov., 1972	74
Plating Tubular Products at 14 to 36 FPM - by Gerard H. Poll, Jr., Editor	Dec., 1972	42
Half-and Full-Concentration Cyanide Zinc Baths: A Comparison - by Robert R. Bair	Dec., 1972	70
Electroplating Forecast '73	Jan., 1973	66
Plating on Plastic: Coming of Age, Part I	Jan., 1973	74
Plating on Plastic: Coming of Age, Part II	Feb., 1973	66
OSHA and the Electroplater, Part I	Feb., 1973	78
A Program for Analytical Control of Plating - by Joseph J. Werbicki, Jr.	Mar., 1973	48
How Do You Plate Screws for Corrosion Resistance? - by the editors	Mar., 1973	66
OSHA and the Electroplater, Part II	Mar., 1973	82
Heating of Plating Solutions, Part I - by Walter Alina	Mar., 1973	108
Pulse Plating - by Dr. Pat Mentone	Apr., 1973	78
Heating of Plating Solutions, Part II - by Walter Alina	Apr., 1973	93
Commentary: How Do You Plate Screws for Corrosion Resistance?	Jun., 1973	84
The Japanese Plating Industry: Problems Amidst Prosperity - reported by Ezra Blount, Consulting Editor	Jun., 1973	96
60th Annual Technical Conference American Electroplaters' Society	Jun., 1973	135
Consistent, High Quality Plating at Union Hardware - by G. Thomas Robison, Associate Editor	Jul., 1973	40
Western Electric's Tin-Lead Plating - by James W. Tharp	Aug., 1973	54
Electroplating for Instant Replay - by Gerard H. Poll, Jr., Editor	Aug., 1973	64
Chemical Polishing of Metals: A Study - by K. S. Indira and B. A. Shenoi	Aug., 1973	80
Nine Ways To Cut the Cost of Gold Plating - by Alfred M. Weisberg	Sept., 1973	72

PLATING EQUIPMENT & FACILITIES		
Plating Tubular Products at 14 to 36 FPM - by Gerard H. Poll, Jr., Editor	Dec., 1972	42
Why Titanium Heat Exchangers? - by George J. Esseff	Dec., 1972	78
Digital Ampere-Hour Meters and Chemical-Addition Equipment - by Marv Rubinstein	Feb., 1973	46

PLATING EQUIPMENT & FACILITIES (continued)	Month	Page
Why Cool the Air for Air Agitation? - by Jay J. Becker	Mar., 1973	65
Heating of Plating Solutions, Part I - by Walter Alina	Mar., 1973	108
A Contract Finisher--One of the Largest	Apr., 1973	54
Heating of Plating Solutions, Part II - by Walter Alina	Apr., 1973	93
Consistent, High Quality Plating at Union Hardware - by G. Thomas Robison, Associate Editor	Jul., 1973	40
Why Use Timers To Admit Rinse Water? - by Jay J. Becker	Jul., 1973	73
Automatic Processing for an Indiana Job Plater	Jul., 1973	75
Western Electric's Tin-Lead Plating - by James W. Tharp	Aug., 1973	54
PLATING ON PLASTICS		
Plating on Plastic: Coming of Age, Part I	Jan., 1973	74
Plating on Plastic: Coming of Age, Part II	Feb., 1973	66
A Contract Finisher--One of the Largest	Apr., 1973	54
POLISHING AND BUFFING		
Super-Fast Cutting Speeds Claimed for Abrasive Belt - PF Special New Product Report	Oct., 1972	62
Contour Grinding Machine "Cuts It" in the Knife Business - by G. Thomas Robison, Associate Editor	Dec., 1972	90
Chemical Polishing of Metals: A Study - by K. S. Indira and B. A. Shenoi	Aug., 1973	80
POWDER COATING		
Lining Steel Pipe with Epoxy Powder	Oct., 1972	98
Ohio Junior Achievement Group Uses Powder Coating - by G. Thomas Robison, Associate Editor	Oct., 1972	187
Powder Coating Today: Materials, Methods and Tests	Dec., 1972	84
Allis-Chalmers' Thin-Film Powder Coating - by Warren St. John	Mar., 1973	98
Exhibits, Technical Sessions Highlight Powder Coating '73	Mar., 1973	114
A Contract Finisher--One of the Largest	Apr., 1973	54
Switch To Powder Improves Coating Operation	Apr., 1972	73
Powder Coating Technology Update, Part I	May, 1973	86
Why Powder Coating Is Going to Grow - an interview with R. C. Hendrickson	Jun., 1973	74
Powder Coating Technology Update, Part II	Jun., 1973	106
Powder Coaters Eye New Markets - Special PF Report	Aug., 1973	60
Another Way To Apply Powder Coatings - PF Special New Product Report	Aug., 1973	134
Powder Coating Proves Merit for Ansul Company - by G. Thomas Robison	Sept., 1973	61
PRINTED CIRCUITS		
Automation Boosts PCB Plating Output	Oct., 1972	106
"Spot Plating" Opens Way to Cost Reduction	Nov., 1972	90
Continuous Printed Circuit Etching--Without Pollution - by William F. Gilliland	Jun., 1973	89

SOLVENTS	Month	Page
Plating Semiconductors: Experiences with "Freon" Drying - by W. W. Pcihoda and A. E. Walker	Oct., 1972	86
Cold Spray Degreasing Hikes Hite's Production	Jun., 1973	130
TESTING		
OSHA and the Electroplater, Part I	Feb., 1973	78
A Program for Analytical Control of Plating - by Joseph J. Werbicki, Jr.	Mar., 1973	48
OSHA and the Electroplater, Part II	Mar., 1973	82
Filiform Corrosion: Can It Be Controlled? - by James I. Maurer	Aug., 1973	44
A Faster Way To Analyze Trisodium Phosphate-Sodium Carbonate Solutions - by David Cummings	Sept., 1973	84
Reference Charts for Finishers - by Dr. A. Mohrnheim	Sept., 1973	97
TRAINING COURSES		
Training Courses in Finishing	Aug., 1973	152
VIBRATORY FINISHING		
Ice-Bonded Vibratory Finishing Media - PF Special New Product Report	Jan., 1973	120
WASTE DISPOSAL & WASTE TREATMENT		
Which Pollution Control System? - Products Finishing Report	Dec., 1972	158
Pollution Laws: How Are You Going to Comply, Mr. Organic Finisher?	Feb., 1973	57
To Reclaim or Not To Reclaim? That's the Un-Answered Question	Mar., 1973	74
Where Voluntary Compliance Paid Off	Apr., 1973	86
Integrated Waste Treatment System Keeps Lake Havasu Clean	May, 1973	54
Rock Island Arsenal's Zero Effluent System	Jun., 1973	129
